

Mr. Taxi

ENGLISH VERSION

Tokyo, Seoul, London, New York
Would you take, please take me on a drive tonight.
I got a new, new attitude, a new style.
I keep it hot, and I want the whole wide world to see me.

Just shift the car to drive, step down on the accelerator
And hold on tight cause from here we'll be picking up the speed. I'm so fast.

*Mr. Taxi, Taxi, Taxi, won't you take me, take me, take me
On a cruise all around the world
In high speed no one has gone.
Mr. Taxi, Taxi, Taxi come on take me, take me, take me,
Take me fast on turbo drive, make this night a memorable night.

It's so supersonic, and hypertonic
Come on and take me now, and take me on a ride.
Mr. Taxi, Taxi, Taxi won't you take me, take me, take me
All around, 'cross the sea, and from city to city.

Going fast, the city lights like shooting stars
Pulling up where the city club is bumping non-stop.
Energy all around, it's so alive
But the night is young, no problems as we say goodbye.

So shift the car to drive, step down on the accelerator
And hold on tight cause from here we'll be going up higher.
I'm so sure.

One, two, three, here we go!
Flashing city lights
(everywhere).
The energy's alive
(everywhere).
People living life (everywhere).
And I'll take this ride (everywhere)
Just like how I imagined.
Took so long for me to begin,
And I don't know why and I don't know why (don't know why),
But it will come to an end.
I don't wanna say goodbye, goodbye (goodbye, don't wanna say goodbye).
